MINISTRY SECURITY | GENE YOUNGBLOOD will be speaking about what is perhaps one of the most vital issues of our day!! Churches, Pastors, Christians, and God's ministries are under Satanic Assault across America Today! Most pastors, churches and para-church ministries are unaware of the number of acts of violence, shootings, burglaries, forced entrances, and yes, murders that are taking place in ministry facilities across America. Our ministries generally trusting of everybody, not prepared, and are soft targets for terrorists, mentally challenged persons seeking revenge because we preach and teach the Word of God.
